OUR ENVIRONMENTAL *Approach*

When organizing your seminar or event at our property, we kindly invite you to incorporate the principles of our environmental commitment.

To support you, we kindly ask that you:

- Choose digital formats instead of printed materials
- Use the reusable bottles provided and avoid single-use plastic bottles
- Switch off lights, screens, and equipment when not in use
- Opt for group transfers and use of electric vehicles
- Share these best practices with participants before and during the event
