## Our services

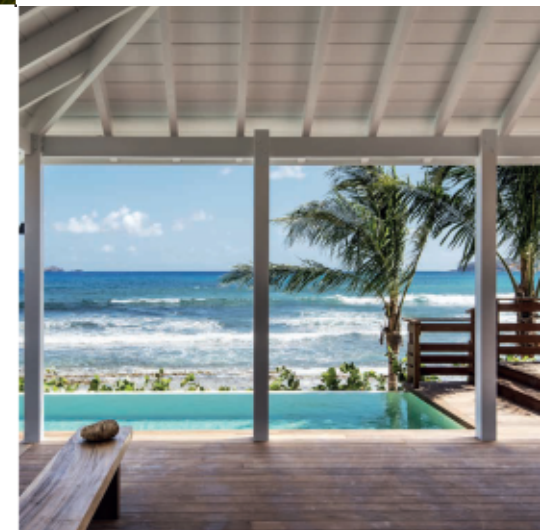

## THE BAR & THE RESTAURANT

Manapany is embedded in the island's culture, often cosmopolitan, sometimes reminiscent of Brittany. Always loquacious, it reveals its secrets, one by one, we savor them in little sips, like chilled champagne or weel-aged dark rum. The cuisine also combined the best ingredients that the island has to offer. Seafood, aromatic herbs, fruits and vegetables grown right here in the domain..

## THE SPA

The Manapany Spa, facing the sea, blends into its light-filled surrounding. The bio-aesthetic care collection, signed by Dr. Hauschka, offers a unique know-how and an exceptional relaxing experience.

## OUR SERVICES

- Fitness Room of 90 m<sup>2</sup> - 969 ft<sup>2</sup>
- Pilate & Yoga classes on request
- Gaming room: ping-pong table, table soccer, video games...
- Two swimming pools with sea view - including one reserved for adults
  - One boutique
- Free cleaning of your sportswear (t-shirt, leggings, shorts and sports socks)

## THE MEETING ROOM

Combining elegant decor, made-to-measure and state-of-the-art equipment, our space is fully modular and customizable. This space can accommodate up to 25 people.
